

We need you to help share the message that St. Paul's has some expenses that we hope to get help with on #GIVINGTUESDAY. These include our sanctuary computer system, our small roof projects, and the sealing of the parking lot. Watch our FACEBOOK and TWITTER and share with your friends asking them to support us on Tuesday!

1. Who have you told your favorite Jesus story to? Who would remember that was your story if you were gone?
2. Who are you inviting to come to church during the season of Advent?
3. What does Communion mean to you? What did you pray for during the time of silent prayer and have you prayed that prayer before?
4. What lesson of Jesus do you try to put into your daily life?
5. In what new way do you want to experience Jesus this Advent season?
