***So, where were you when you realized that Jesus Christ was your Savior? When did it happen? Who did you tell? How excited were you?***

1. In our reading from Psalms today, David says he “searches for God” and that his “whole body thirsts for God!” Where do you search for God this Christmas season? How often do you thirst for God?
2. David thinks about God “on my bed” and he even meditates about God in the middle of the night. Do you ever have your moments when thinking about God takes over your entire thought process? What do you do?
3. The story of Nicodemus’ meeting with Jesus is one of the most well-known Biblical stories because of John 3:16. Jesus tells him “If I had told you earthly things and you don’t believe, how will you believe if I tell you about heavenly things?” Since non-believers are skeptics, how do you share your testimony of faith? What makes your faith so strong that it has changed who you are?
4. How important is it to know that Jesus didn’t come to judge the world but rather that He came so that the world can be saved through Him? What happens to a person truly saved who lives a life of faith following Jesus as Lord and Master?
